

Dear Friends, Neighbors, Business Associates and Fellow Community Members,

Thank you for your interest in our 501 (c) 3 non-profit organization.

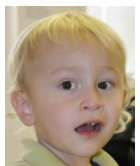

We are in need of volunteer assistance for our gift wrapping program at Barnes and Noble/Rowan University. The program runs from Nov-27th through Dec. 18th. If you as an individual or as a school/organization can offer some assistance please contact us at info@onelittlestep.org

A big thank you on behalf of the children of One Little Step for donating a couple hours of your time. We are in need of about 100 total Volunteers this Holiday Season.

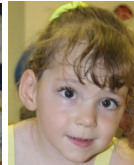

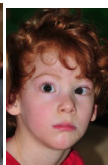

We are in our 13th year supporting children with special needs in the community. It is through your generosity that all this is made possible. May God continue to bless you, for reaching out to help the children.

Sincerely,
Mimi Rosa
